

Donald Stolarchuk South Haven/Toronto

It is with sadness we announce the death of Donald Stolarchuk on Dec. 21, 2021 in Victoria County Memorial Hospital, Baddeck, NS. Donald was born in Western Canada on July 15, 1950 to Peter and Ruby (Mack) Stolarchuk.

Home for Donald was in Toronto, Ontario where he made many friends. He was a truck driver all his working life and made many friends with others that were on the road and traveled throughout Canada and the US.

His favorite pass time was to get on his motorbike (Harley) and hit the open road. When he ended up having some health issues very dear friends, Pamela (Morgan) and her husband in South Haven, Cape Breton invited him to come to live with them. It wasn't a hard decision for him to make as he had made several trips to Cape Breton before and loved the idea of living the rest of his days here

Cremation has taken place and his ashes will be taken back to Ontario at a later date. Online condolences: www.sunsetfuneralco-op.com
