Creighton, Kenneth William 68

It is with great sadness we announce the passing of our father Kenneth William Creighton on Fathers Day June 19, 2022, after a lengthy battle with cancer. Born May 7, 1954, in Sydney, he was the son of the late Charles and Divina (Richardson) Creighton of South Bar.

Dad had the kindest of hearts. Loved by many for his gentle, caring and witty sense of humor, he was always willing to lend a helping hand. He had many jobs over the years, Sydney Steel Corporation, Labouring in Ontario, and Highland Sod Farms to name a few. A jack of all trades he could fix just about anything and was the true meaning of a back yard mechanic. He loved working with his hands and would always look for a something said to be impossible to fix, a true handy man at heart.

Left to mourn the loss are his children, Michelle Creighton (Jeano) Edmonton, Margaret - Mugsie Burke (Todd) Sydney, Mark Creighton (Chelsey) New Waterford, his grandchildren Kendall, McKenzie, Parker, Addilynn, and great granddaughter Sadie Grace. They were the joy of his life and he loved each of them dearly.

Besides his children, Dad is survived by his sister Margaret Leroy (Paul) of Sydney 2 nieces and great nephews. He will also be missed by his friends, family, and many

cousins, particularly Roy Richardson, who was not only his cousin but one of his dearest friends.

The family would like to thank all who have assisted in his care over the past few years. Dr. Saliba, Cape Breton Cancer Centre, Cape Breton Regional Hospital, and especially the wonderful staff at Waterford Heights who for the past couple of years provided top notch care for our father and treated him like family. Your professionalism and kindness will never be forgotten.

Cremation has taken place, entrusted to the care of Sunset Funeral Cooperative. A celebration of his life will take place at later date.
